He hadn't been feeling well and had moved out later that evening?to catch a bus to San Diego, to visit his ailing mother. The landlord had felt sorry for him, so sorry he'd broken a steadfast rule and refunded most of the month's rent Detweiler had paid hi advance. After all, he'd only been there three days. So sad about his back. Such a nice, gentle boy?a writer, you know.. "A trap door in the bottom of a ship?" asked Amos..to her, and by the time she'd got it into final shape, five years later, it was far and away the best of the lot.. "Exactly." She squinted across the vast tasteful expanse of Party-land, then stood up and waved. "I think I've recognized someone," she said excitedly, preening her paper feathers with her free hand. Far away, someone waved back.. "No! There's no other way. Oh, not people like us, maybe. Maybe we're seeing them right now, spinning like crazy." They all looked uneasily at the whirligigs. "But I think they're not here yet I think we're going to see, over the next few years, increasing complexity in these plants and animals as they build up a biome here and get ready for the builders. Think about it. When summer comes, the conditions will be very different. The atmosphere will be almost as dense as ours, with about the same partial pressure of oxygen. By then, thousands of years from now, these early forms will have vanished. These things are adapted for low pressure, no oxygen, scarce water. The later ones will be adapted to an environment much tike ours. And that's when we'll see the makers, when the stage is properly set." She sounded almost religious when she said it..Ralston laughed. It wasn't a bitter laugh; he sounded genuinely amused. Crawford plowed on.. "We are? You'll have to brief us on the political situation back there. We were United States citizens."The door was bolted from the inside. They had to break it down to get in. "I am fortunate in that, unlike Hollywood, F&SF seems to be largely immune from trends.
